# WOMEN'S

The Great Woman's Medicine Often Just What Is Needed.

We are so used to thinking of Lydis E. Pinkham's Vegetable Compound as a remerly exclusively for female ills that we are apt to overlook the fact that it is one of the best remedies for disorders of the stomach. For stomach trouble of women it is

especially adapted, as it works in complete harmony with the female organism, since it contains the extracts of the best tonic roots and herbs. It tones up the digestive system, and increases the appetite and strength. Here is what one woman writes showing what this medicine does:-

Newfield, N. Y.-"I am so pleased to say I can recommend Lydia E. Pinkham's Vegetable Compound as an economical and beneficial remedy in most silments pertaining to women. At least I found it so by only taking two bottles. I had indigestion in a bad form and I am now feeling in the best of health and owe it all to Lydia F. Pinkham's Vegetable Compound."— Mrs. BURR WILLIAMS, R. D. No. 29, Newfield, N.Y.

Many women suffer from that "all gone feeling," and "feel so faint," stonifacia Contreres reported to the police Thursday afternoon that a savings bank containing a small amount of change had been stolen from her while she was standing in front of the Kress store on Mess avenus.
